Open Call Schützenmatte Summer Stage

The Schützenmatte will come alive with an open stage in the summer of 2024 from August 9th to September 14th!

Concerts, theatre try outs, open dance trainings, spoken word, fairy tales, public panel discussions and much more are possible there.

We offer you the infrastructure of a small outdoor stage and you become part of a colourful and diverse programme.

Do you have any ideas for an event? ALL proposals are welcome, especially from BIPoC, FLINTA or migrant networks.

Contact us by 15 May with a short description of your project (max. 1 A4 page: Who? What? Desired date?) at kulturgruppe@schuetzenmatte.be.

Please no requests for parties or DJ events!
